

**If You Want to Make a Pizza
By Alex Turner**

*If you want to make a pizza.
You have to get some dough.
If you can't find some dough,
Oh No!*

*If you want to make a pizza.
You have to make some sauce.
If you can't make some,
Your lost!*

*If you want to make a pizza.
You have to get some cheese.
If you can't find some,
Oh Jeez!*

*If you want to make a pizza.
You have to get pepperoni.
Not Bologna!*

*When you're done making the pizza.
You should share it with your friends.
That pizza was so big,
It lasted to the end!*
