

**Zoo Camp 2006**

Written in 2007

Today's the day!  
Zoo Camp begins  
So much to do  
Might even make friends

When we arrived  
There was so much excitement in me  
I found someone  
And was happy as can be

Her name was Nikkei  
I had met her before  
I offered her a seat  
She said "Sure!"

A love for animals  
We both shared  
We fed the zebras, pet the rhinos  
I could tell that she really cared

Today's the day!  
That Zoo Camp begins  
So much to do  
Might even make friends
