

## Star Wars

Star Wars, I love Star Wars  
From Darth Vader to Palpatine  
From Luke to Yoda  
From A-1 Deluxe Floater to ZZ-UZ

Star Wars, I love Star Wars  
What's not to like about it?  
It puts you in a mysterious galaxy  
With the Jedi, Sith, Crime Lords and Emperors

Star Wars, I love Star Wars  
This galaxy has many star ships  
Imperial Star Destroyers to X-wings  
To Corellian Corvettes and Tie Fighters

Star Wars, I love Star Wars  
Light verses dark, good verses evil  
Luke verses Vader, Yoda verses Palpatine  
May the Force be with you
