

BALTIMORE

I'll never forget walking off the plane
Seeing the trees so green
Baltimore, Maryland, is an amazing place
There's so much to see, there's so much to do.

As I walked down the beautiful harbor
I looked at the water so blue
Wondering what will happen next
In the beautiful waves so blue.

I went walking under a shark's tunnel
Thinking how hungry they look
I looked in their eyes; it made me want to hide
But soon I was free from the tunnel.

Eating fresh crab was the best
They poured it on the table and I handled the rest
Cracking the shells, dipping the butter
Then in the end, I ordered a pizza.

I was very sad when I had to pack up
Leaving the view of the water
Driving away to Washington D.C.
It will be in my memories forever.
