

Jesus and Me

There's someone very special to me
He made the birds, He made the trees
He loved and created me
I find this in John 3:16

There was a week in 2004
When Jesus Christ opened up a door
This door was to receive Him into my life
To help me with troubles, pains, and strife

My life from that point has taken a turn
For now I live for Christ
Now I live to love and learn
I'll keep learning throughout my life

In Matthew 24:42 we find
That we could live the life of "Left Behind"
"You must be ready," says our Father
"For I might come in just one hour"

Now, whenever I feel down,
I think of what Christ did
He died on the cross for me and you
To give the gift of life anew
