

# Cornerstone Christian Academy Chess Club Membership Form

## Eligible For Membership

- Any Cornerstone Christian Academy student in grades 1 through 6,
- ... having a desire for “Christian Fun through ‘Mental Battles,’” and
- ... who will abide by the minimal expectations of the club.

## Expectations of the Club

1. **FUN.** You have a desire for fun. Fun is a personal choice, a mind set, a personal decision. No one makes anything fun for you. Your attitude makes it fun (or not). Your leader will do everything he can to provide an atmosphere that makes your choice of fun easy for you.
2. **FRIENDSHIP.** A basic expectation is that you will grow in friendship, respect, and Christian courtesy with every other member. It is the other chess “army” who is the enemy you battle, never your friend in the club.
2. **ENJOYING.** You enjoy (or want to enjoy) the challenges of chess. You are a person who likes puzzles and mind challenges.
3. **LEARNING.** You want to stretch your chess abilities. You want to stretch your knowledge and skill abilities in chess competition, are not afraid to learn and not afraid to say “I don’t understand; please help me understand.”
4. **CONSISTENCY.** You intend to be a consistent attendee. You are not obligated to attend, participate, or to continue once you start. Start and find out if you like it, **but** if you do like it and want to continue, you plan to be consistent (not hap-hazard) in attendance.
5. **PROMPTNESS.** You will be prompt at club starting time (3:00 p.m.).
