

For ask now of the days that are past, which were before thee, since the day that God created man upon the earth, and ask from the one side of heaven unto the other, whether there hath been any such thing as this great thing is, or hath been heard like it?

FACILITATING RAPID COMMUNICATION BETWEEN THE HEADMASTER AND THE FACULTY

Week Thirteen

Day 59

November 9, 2006

- ***Friday in service***

Please remember that all core teachers (minus kindergarten) will be joining the new teachers at the PRCA in service in the CFC worship center for the afternoon session with Chris Baker tomorrow afternoon. Make your way as soon after pick up as possible so we can join the others for lunch (provided by PRCA).

- ***Football tickets available***

Please let Brian or Tom know if you would like tickets for the U of A/Cal football game on Saturday. They have two each available.

- ***New copier training***

Most functions of the new copiers are self-explanatory (because the machines are so user friendly). But there are some advanced features available, for which the office staff will be receiving training on Tuesday. If you would like to know the advanced features or learn to use them yourself, see Mary after Tuesday to arrange training.

- ***Welding alert***

Work will begin this week end on the new wrought iron fencing and gates. For this reason, cones will be placed a respectable distance from the fence area starting next Monday, to protect students from the welding. The danger is not only from the heat, but also to their eyes because of the arc light. The tetherball courts will be off limits until the fencing project is completed. Please explain this to your students in advance and enforce the boundaries carefully while the workmen are on the job.

“I think that to be ignorant or indifferent to history isn’t just to be uneducated or stupid. It’s to be rude, ungrateful. And ingratitude is an ugly failing in human beings.”
