➤ ***In your mailbox today***

As I stated last Monday at the faculty meeting, I am giving you a copy of the observation form that the observers will use when they come to visit in your classroom. Some of the questions are similar to the ones that were on your referral form. The observers are not being given access to your referral forms prior to visiting the classroom, because we want them to be unaffected by prior input. Remember not to call attention to them when they are in the room, but you may want to indicate in some general way that over the next two weeks, there will be periodic visits by friends of the school for the purpose of seeing how we can improve our instruction.

➤ ***Art Festival Reminder***

You are invited to view our students' work at the ACSI District Art Festival at Faith Community Academy, 2551 W. Orange Grove Road, on Friday afternoon from 3:00 to 5:00 P.M.

➤ ***Open House next week***

Wednesday morning, March 7, is an admissions Open House (the first time we've done one during school hours.) We will be visiting selected classrooms briefly. Please remind your students not to stop their work, but to continue with "business as usual."

➤ ***Technology In-service this Friday***

Please remember that the in-service this Friday is on "Use of Technology." Come prepared with any questions you may have about e mailing, data storage, or publishing. Also, be prepared to share any web sites that have been particularly useful to you.

***The end, then, of learning is to repair the ruins of our first parents by regaining to know God aright, and out of that knowledge to love him, to imitate him, to be like him, as we may the nearest, by possessing our souls of true virtue, which, being united to the heavenly grace of faith, makes up the highest perfection.***
